The West Virginia Hospital Association (WVHA) is a not-for-profit statewide organization representing 61 hospitals and health systems across the continuum of care. The WVHA was founded in 1925 to serve as the collective voice of the state’s hospital community. Today, the mission of the WVHA is to support its members in achieving a strong, healthy West Virginia. Members of the Association envision a strong healthcare system that supports optimizing the health status of West Virginians served by hospitals and improving the economic condition of the state. The values of quality, transparency, integrity, collaboration and innovation guide the actions of the Association so that member hospitals and health systems can provide high-quality, affordable, accessible healthcare for West Virginia families and communities. The Association is proud to be a part of the state’s hospital industry, adding value to the health and wellness of West Virginians. In addition to representing hospitals and health systems, the WVHA includes associate member organizations that partner with West Virginia’s hospitals.
